APPLICATION
The Aluminum Reflector Pendant's distinctive styling will enhance any space with efficient lighting and striking design. Deco series offers suspended glass and metal tier options.

FEATURES
Speclume series fixtures offer simple contemporary style with functional luminaire performance. All fixtures are designed and manufactured in our factory. Reflector pendant is available in two sizes with direct lighting. Separate finishes may be chosen for fixture and mounting. Interchangeable LED module for ease of maintenance and upgradable. A variety of mounting and finish options available.

FINISH
Multi-stage polyester powder-coat process applied on our dedicated paint lines. A wide variety of standard and custom finishes are available. All exposed materials are chromate pretreated to resist corrosion. Matte white interior is standard.

ELECTRONICS
LED system features Xicato LED module with proprietary phosphor technology that provides consistent stable color with CCT control of +/- 100K over life of the light engine. Base CRI is 83 with 1 x 2-step MacAdam Ellipse binning. High CRI is 98 with 1 x 2-step MacAdam Ellipse binning. Variety of electronic 120V/277V and dimming drivers.

CONSTRUCTION
Fixtures are machined in our factory from 0.125 thick aluminum and finished to specification. Passive machined aluminum heatsink for optimal thermal management. OSD diffusion optic lens standard.

CODE COMPLIANCE
BAA compliant. ETL certified to meet US and Canadian standards. Suitable for dry or damp locations. Manufactured and tested to UL standards No. 1598/8750
