FINISHES

At Spectrum Lighting, visual comfort is very important to us. The Infinium 3" Series is designed with a deep primary optical reflector to focus light and reduce visual imaging. It also features a low sheen matte finish die cast aluminum trim plate. The finish colors we offer blend into a variety of applications and interiors. All finish operations are performed in house with care on our state-of-the-art powder coating line.

SPECIALTY LEDs

Spectrum's specialty LEDs are designed for applications like restaurants, residential, hospitality and other areas where warmer or varied color temperatures are desired.

22K @ 90 CRI

Our extra warm 2200K closely resembles candle light and will appear warmer and more inviting than 2700K.

PROUDLY MADE IN THE U.S.A.

At Spectrum Lighting we understand the importance of meeting budgets, quality and delivery of lighting fixtures on your projects. To achieve these important requirements, Spectrum Lighting is proud to design and manufacture all fixtures in our 250,000 square foot Massachusetts factory. This allows us to control production volume, speed, cost and quality right here in the USA. We work on both large and small projects and treats each job with the same level of care.

PROCESS CONTROL

All fixtures as well as most major components are manufactured in house.

State of the art equipment, like our new fiber laser.

Time honored metalworking skills: metal spinning, machining and welding.
VISUAL COMFORT

We constantly survey the market for the best quality LEDs, electronics, optics, controls and other materials. We bring you these materials in visually comfortable, uniquely designed, easy to maintain lighting fixtures.

GREATEST RESOURCE

Our greatest resource is our people. Our team works together to grow the company and help our customers. We are here to serve you with technical information, customer service and warranty support.

DELIVERY TO EXPECTATIONS

The final result is a project we all can be proud of that will deliver years of trouble free, quality illumination.

Attention to detail.
Precision crafted quality.
Personal service with every order.
